Student Placement Opportunities

Our Values

About Us

Lifelink is a social enterprise and registered charity operating across Glasgow and the West of Scotland. We offer one to one counselling, groupwork and courses to young people and adults.

Our services are tailored specifically to every individual and help to address stress, anxiety, depression and other mental health related issues.

We also offer Custodial Care services, Youth services within secondary schools and provide the Distress Brief Intervention (DBI) within North Lanarkshire as part of the pilot scheme established by the Scottish Government.

Working With Us

We are looking for Students:

- Working towards achieving either a
 - **Postgraduate Diploma, MSC, MA (Counselling)** or a **Dr Counselling Psychology** qualification
- Who have a desire to make a **difference to people's lives**
- Who are able to commit to a **one year** placement

What we can offer:

- A **supportive work environment** with a highly experienced mentor to offer guidance and feedback
- **Group Clinical Supervision** to aid your personal and professional development
- Experience in a **variety of presenting issues** and working with a **diverse range of clients**

Starting your journey with Lifelink...

throughout Glasgow**

Feedback from Past Students

My placement at Lifelink gave me the skills and confidence to start my own private practice

I learnt so much here and couldn't believe it when I was offered a paid full time position - I have now been at Lifelink for nearly three years
